

Sample of Drain & Disconnect Letter

Company Name & Address on Letter Head

Date: _____

Booking number: _____

Container number: _____

VIN # 1: _____

VIN # 2 (if applicable): _____

VIN # 3 (if applicable): _____

VIN # 4 (if applicable): _____

I/(we), _____ hereby certify that (1) the used vehicles for the subject shipment have been properly stowed in the container in accordance with Title 49, United States Code of Federal Regulations. (2) The batteries have been disconnected, removed or the battery terminals are insulated and (3) the fuel tank(s) are completely drained and the used vehicles have been run until stalled for lack of fuel, unless the used vehicles use a fuel that has a flash point of 38 degrees C or (100 degrees F) or higher (i.e. diesel), and they have less than 5 liters (1.320 gallons) of fuel in their tanks and there are no fuel leaks in any portion of the fuel systems. All Vehicle Identification Numbers (VIN) for all used vehicles in container have been disclosed above.

We recognize that US Law requires accurate description of hazardous shipments and violation of the hazardous materials regulations may result in either civil or criminal liability.

We agree to indemnify, defend and hold harmless, Maersk Inc. and its parent, predecessor, successor and affiliates and their officers, directors, shareholders, employees and agents from and against any damage, loss, fine, penalty, fee, expense or liability of any type or kind whatsoever incurred or sustained by them, arising out of, based upon or relating to the carriage of the cargo set forth in this letter.
